"TIMES OF YOUR LIFE"

Good morning yesterday,
You wake up and time has slipped away,
and suddenly it's hard to find
The memories you left behind.

Remember, do you remember?

The laughter and the tears,
the shadows of misty yesteryears.
The good times and the bad you've seen
and all the others in between.

Remember, do you remember, the times of your life?

Reach back for the joy and the sorrow,
Put them away in your mind,
For memories are times that you borrow
To spend when you get to tomorrow.
Here comes the setting sun,
the seasons are passing one by one.
So gather moments while you may,
collect the dreams you dreamed today.

Remember, will you remember the times of your life?

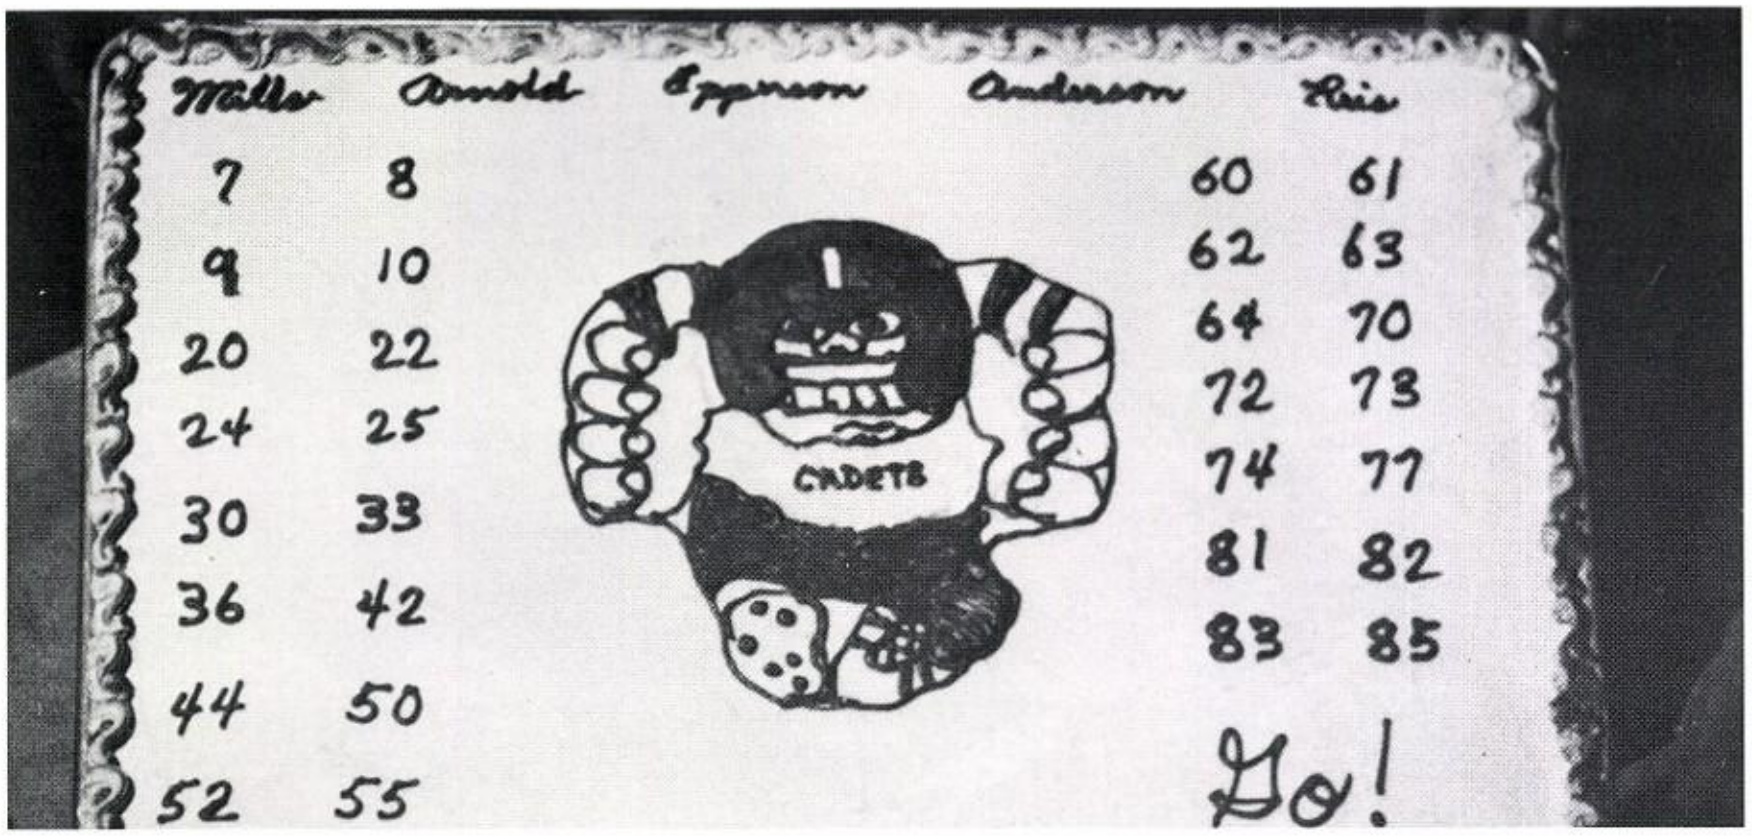
PREPARING FOR HOMECOMING



Spirits were running high as the night of the big game grew nearer. Homecoming week began with the students participating in dress-up days for each day. Wednesday a special Pep Rally was held for the football guys, which is just one example of how they were supported by both the students and the community. Thursday afternoon, everyone enjoyed the traditional excitement of the parade as they marched to the bonfire site. The annual float competition between the classes was won by the deserving Seniors. The Juniors contributed to the boosting of spirit by selling streamers and confetti. Student Council passed out balloons which were released at kick-off. All in all, it was a week of mounting excitement, spirit, and anticipation.

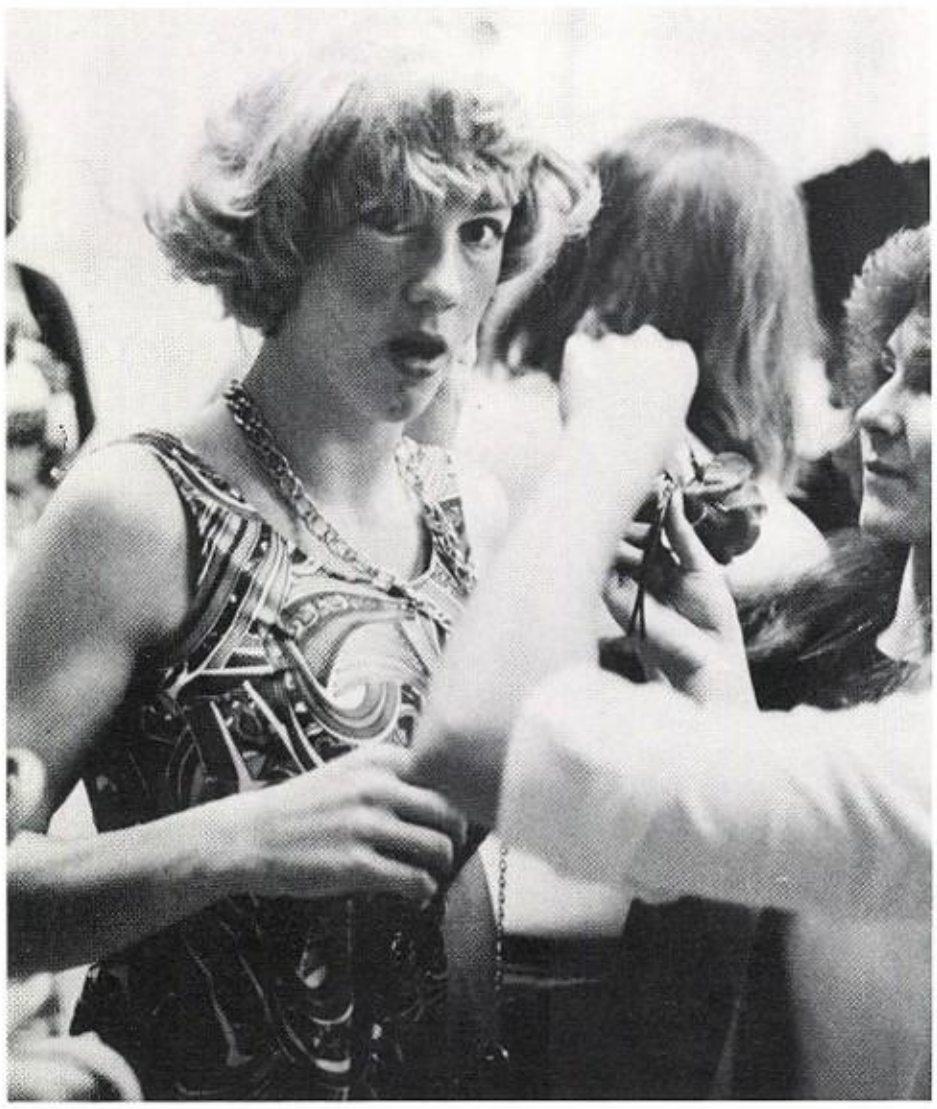
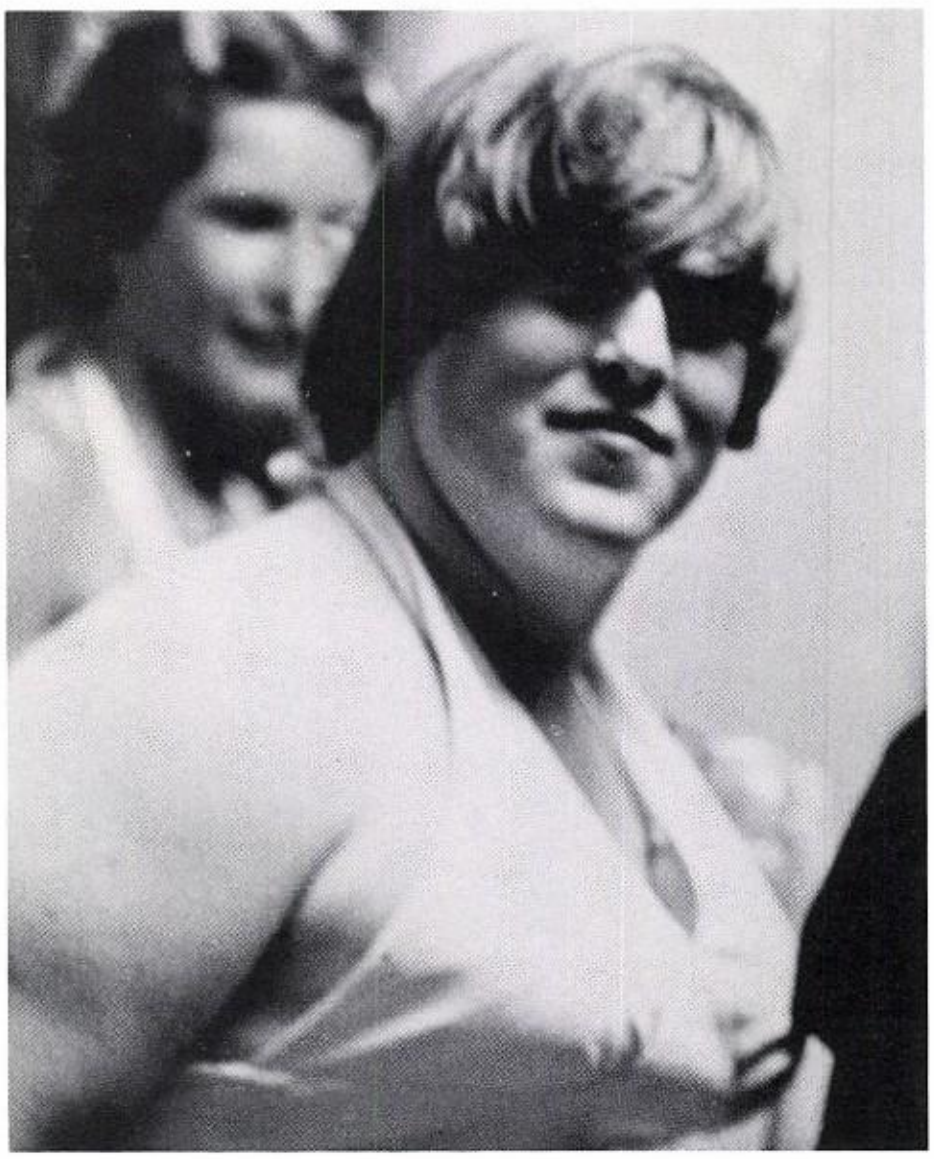
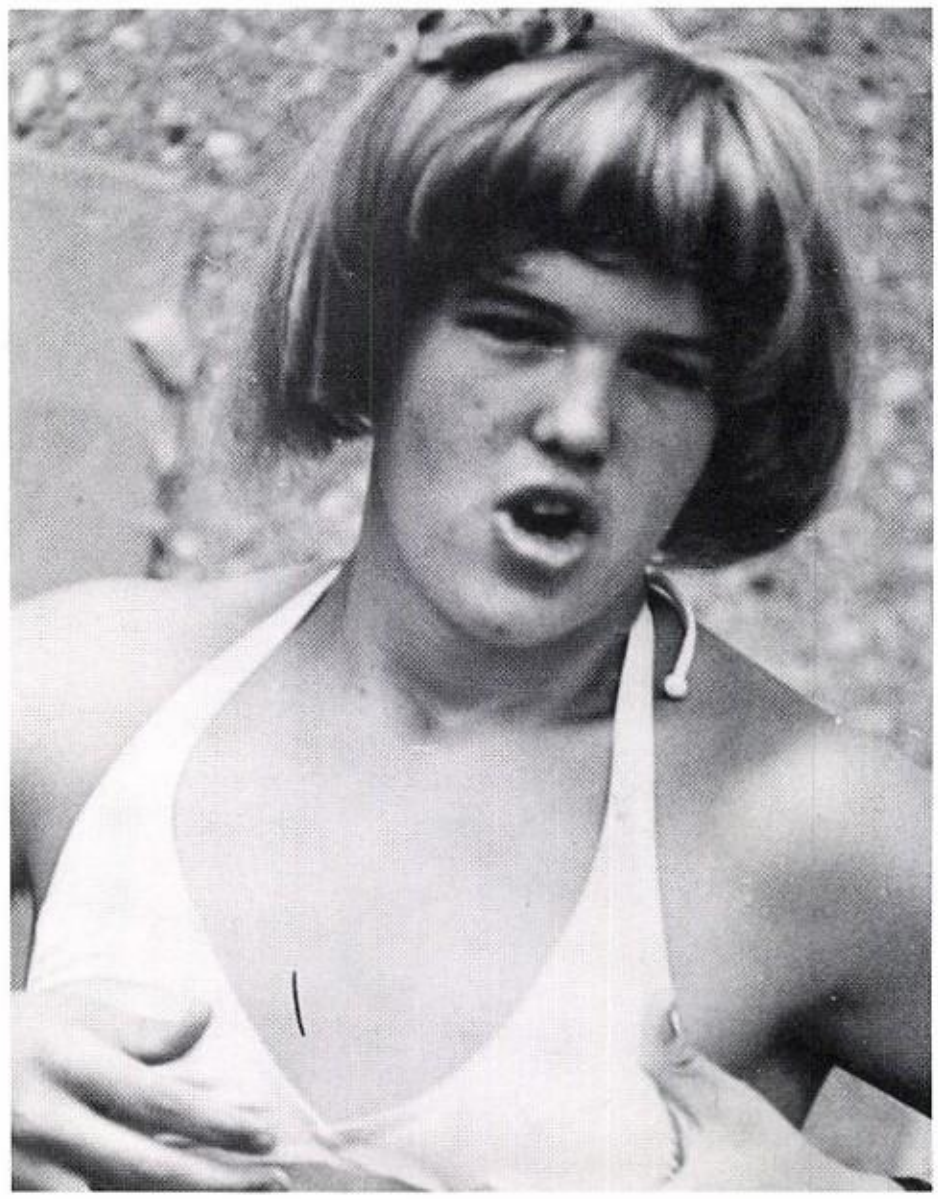
CREAM OF THE CROP AT CHS







As usual, in preparation for Homecoming the National Honor Society held their annual Pirate Queen Contest. The judges had a hard time choosing between the many beauties, but they finally decided on Wilma (Jay) White. Half-time entertainment was provided by Mr. P. Jaska.

THE ANNUALS ARE HERE!

The distributing of the '78 CADET got everything off to a smashing start. The annual signing party was on Tuesday night, October 10th. Seeing old faces and remembering the events of the past year gave everyone an enjoyable time.

RUN, RUN. SEE THE JUNIORS RUN.

Under the direction of Mr. Lowe, the Junior Play, "See How They Run", was presented in three successful performances. Each of these was immensely enjoyed by cast, crew, and audiences alike. There were also several people rolling in the aisles as they tried to figure out the confusing and hilarious plot. The Juniors did a fine job in this production and have everyone looking forward to next year's Senior Play.

IT'S "SUPERMAN"!

"Up, up, and away . . . " These words were becoming quite familiar with everyone this year as the Superman fad hit the nation. The Seniors stayed in style by performing the popular musical "Superman" with the indispensable aid of Mr. Lowe and Mrs. Cunningham. Other than simply being a fantastic play acted out by some very talented people, the Seniors set a few records with their play this year. First of all, it was Connally's first musical, and secondly, it was the first sell out for our auditorium. It was also well worth it, as you know if you saw the play.

The Health and Safety Committee of the Student Council planned and sponsored three very successful blood drives for Red Cross this year. Dianna Haines and Delta Polk worked very hard in managing these blood drives. As a result of their hard work, Connally placed first among all the Waco area schools for having the most blood donors. This is an annual event of the Student Council which involves both the school and the community in the process of saving lives.

THE SAGA OF KATY

This year's One-Act Play was an old-time melodrama called "The Saga of Katy." It was performed very well by the CHS Drama Department and it advanced from zone to district, winning alternate in district. In zone Pam Pardue was chosen best actress, Victor Damm was chosen for the all-star cast, and Robin Wilson and Penny Courtney received honorable mentions. In district competition Rodney Bridger, Pam Pardue, and Daleforde Langston were chosen for the all star cast and Tina Ferguson received an honorable mention. All around effort and determination helped to make this one-act play a success.

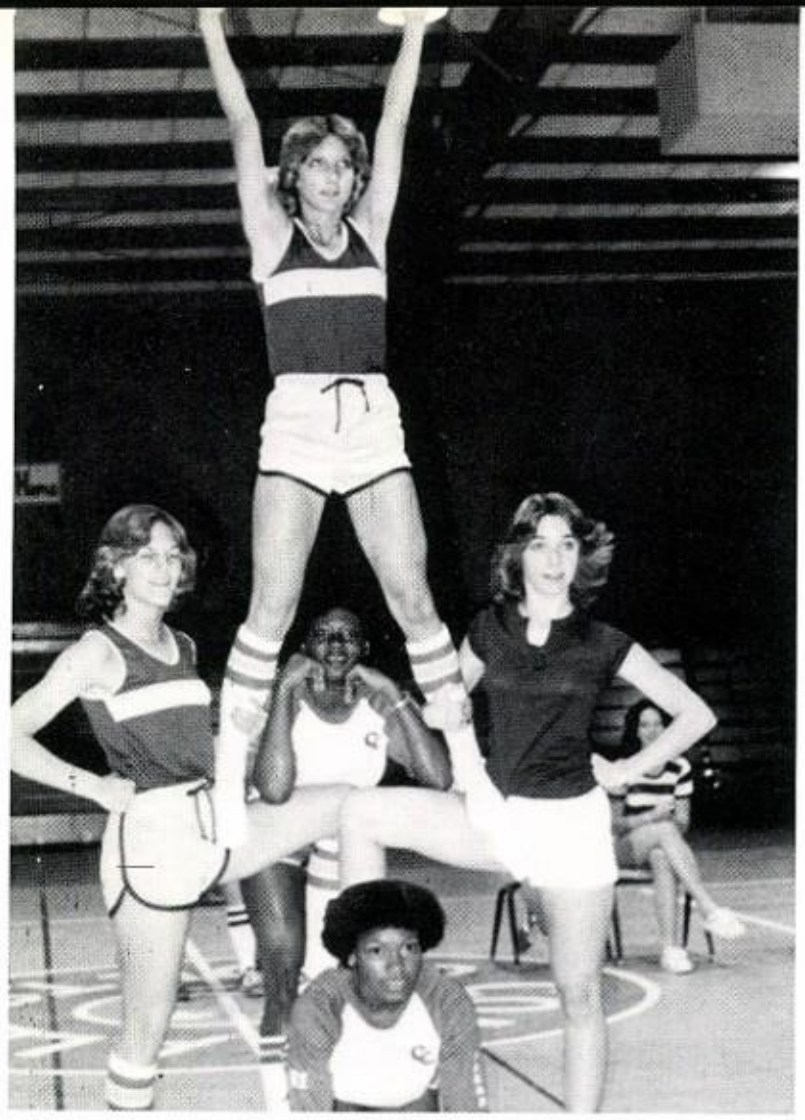
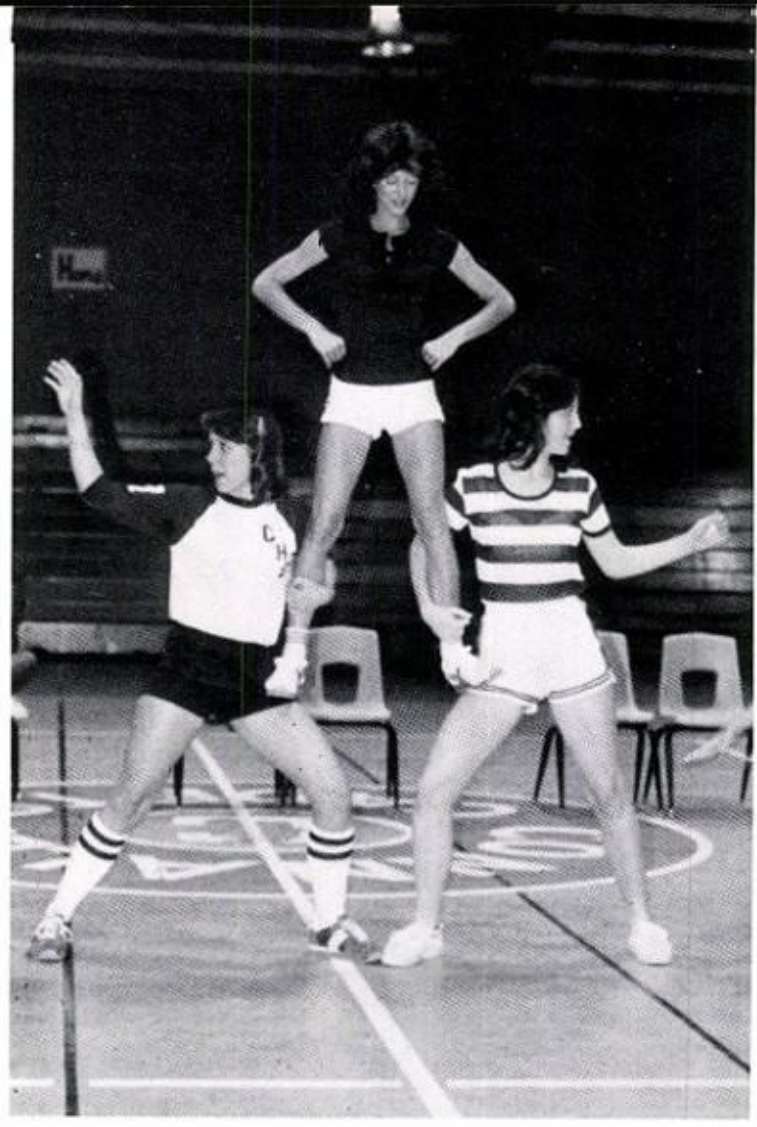
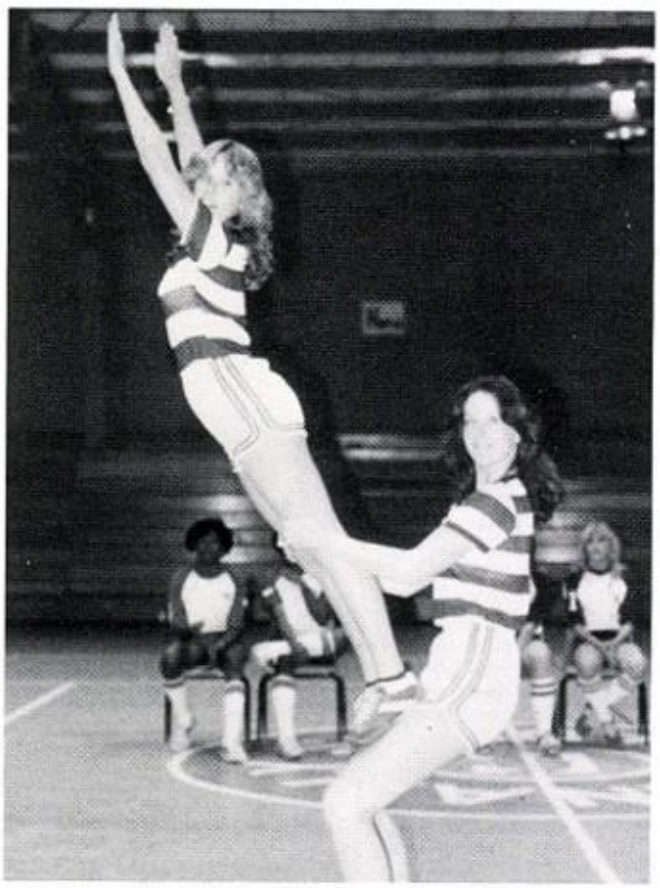
ELECTING OUR LEADERS

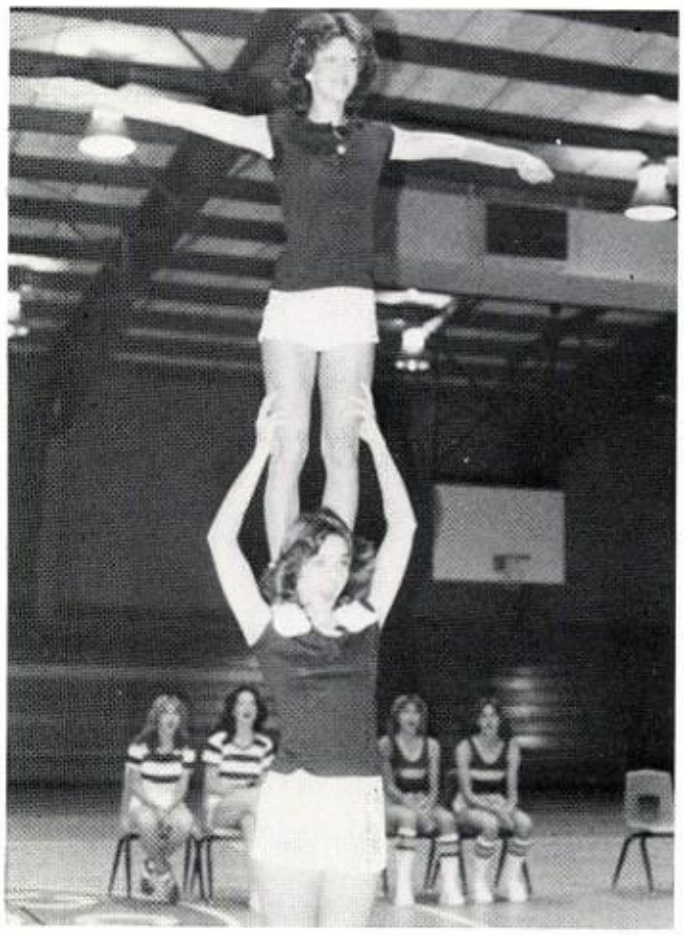
Student Council Elections ran very well this year, thanks to the hard work and enthusiasm of the candidates. In order for these people to qualify to run for a Student Council office, they first had to maintain an 80 or 85 average and the more than willing to fulfill their duties. Our student body did a good job in electing the following Connally leaders for the 1979-80 school year:

President—Linda Peoples
Vice-President—Kim MacGibbon
Rec. Secretary—Jay White
Cor. Secretary—Laura Frazier
Treasurer—Theresa Busch

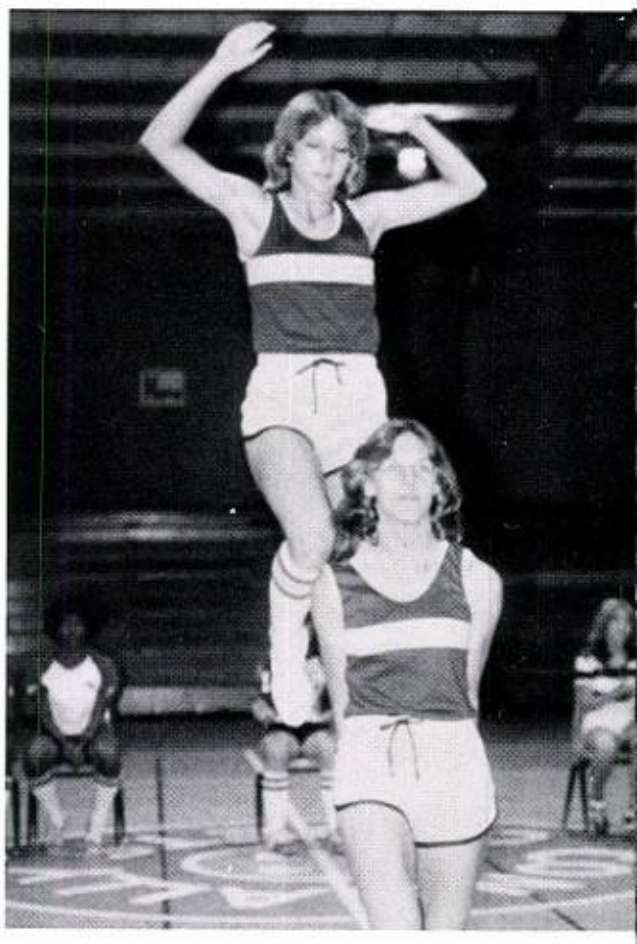


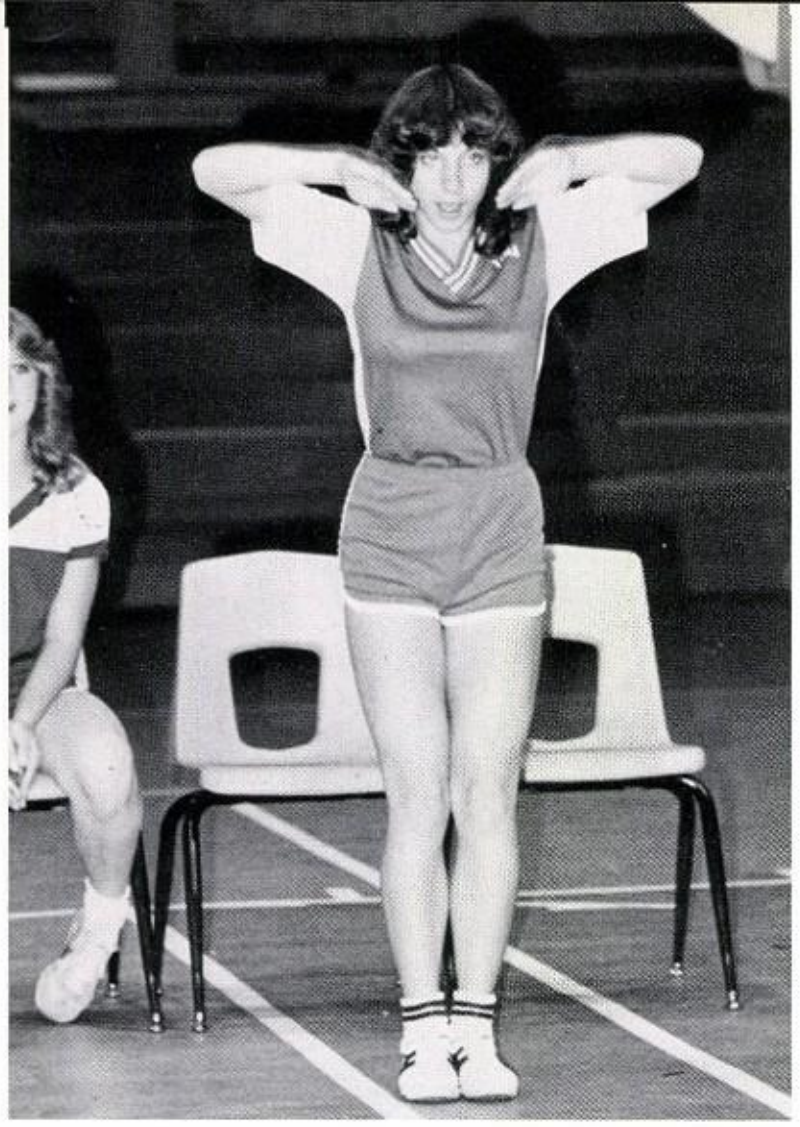


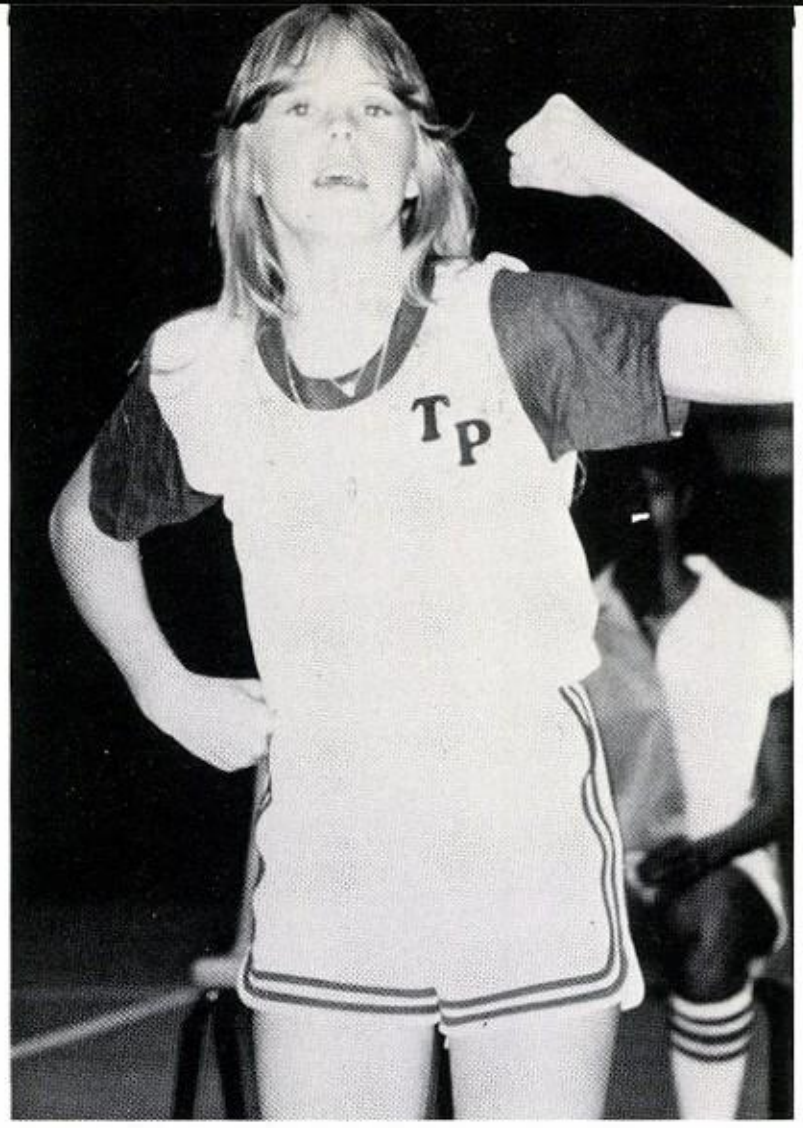




Many girls had high hopes for becoming representatives of Connally High School as they tried out for Varsity Cheerleader. Of the ten girls competing, six were selected as the 1979-80 Varsity Cheerleaders by the students. These are: Terri Sanders (head), Kristen Sipes, Vicki Courtney, Lisa Willis, Chandai Phillips, and Julie Lindloff.







It was a tough choice to decide among the nine qualified girls trying out for Junior Varsity Cheerleaders. It was a very emotional day for these girls as feelings of excitement, fear, and disappointment ran through the air. The four girls chosen were Tina Moore (head), Penny Courtney, Theresa Pryor, and Sherri Cannon.

C.H.S.' BEST

At the end of each year, the faculty of CHS hold an Awards Night in order to honor those many special students who deserve awards in their particular class or activity. Of course, many more awards were received by students than these few pictured here. We wish to recognize and congratulate each and every one of these people on their accomplishments.

a. Kelly Sipes—Alpha Delta Kappa Award.

b. Darren Lauber—Calculus Award.

c. Eddie Stoker—American Legion Good Citizenship.

SUPERSTARS '79

Each year, the coaching staff and the Athletic Booster Club have an Athletic banquet to honor Connally's Superstars. This year, they went all-out to make the evening a success with the help of Charles Yerger who made posters of Superstar cartoon characters which was the theme of the banquet. Among the many awards given to each of the deserving athletes. Kelly Sipes and Shane Loftin were named Connally's most outstanding girl and boy athletes. Also, Cindy Culverhouse was Basketball Sweetheart and Penny Cepak was Football Sweetheart. The banquet was well deserved by the outstanding jobs done by all of Connally's Superstars.

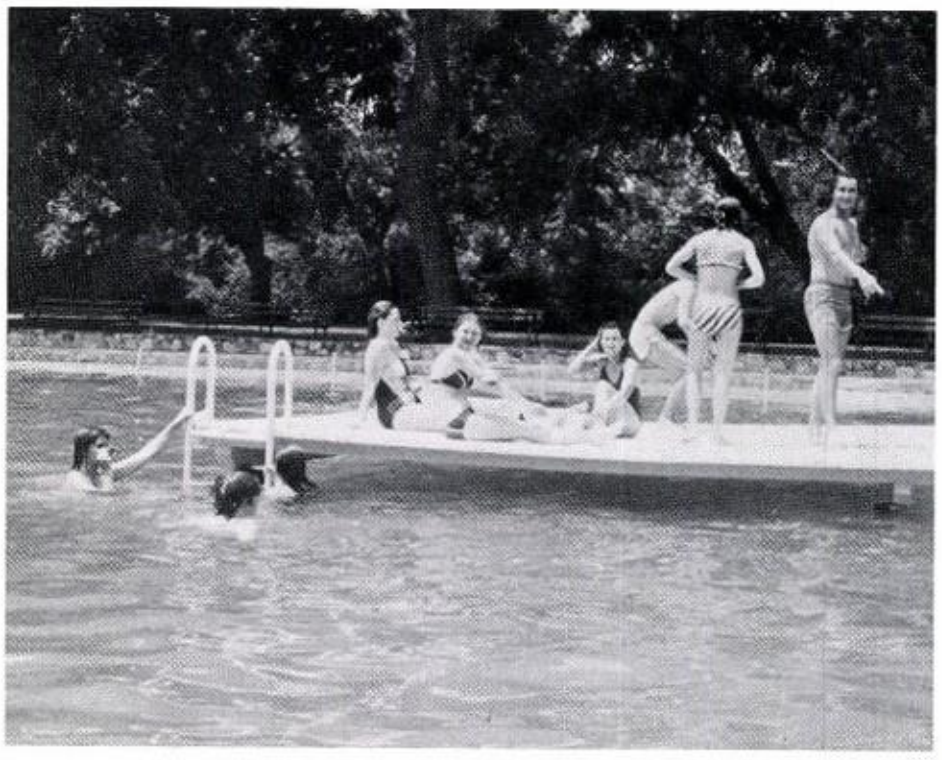
SENIOR PLAYDAY

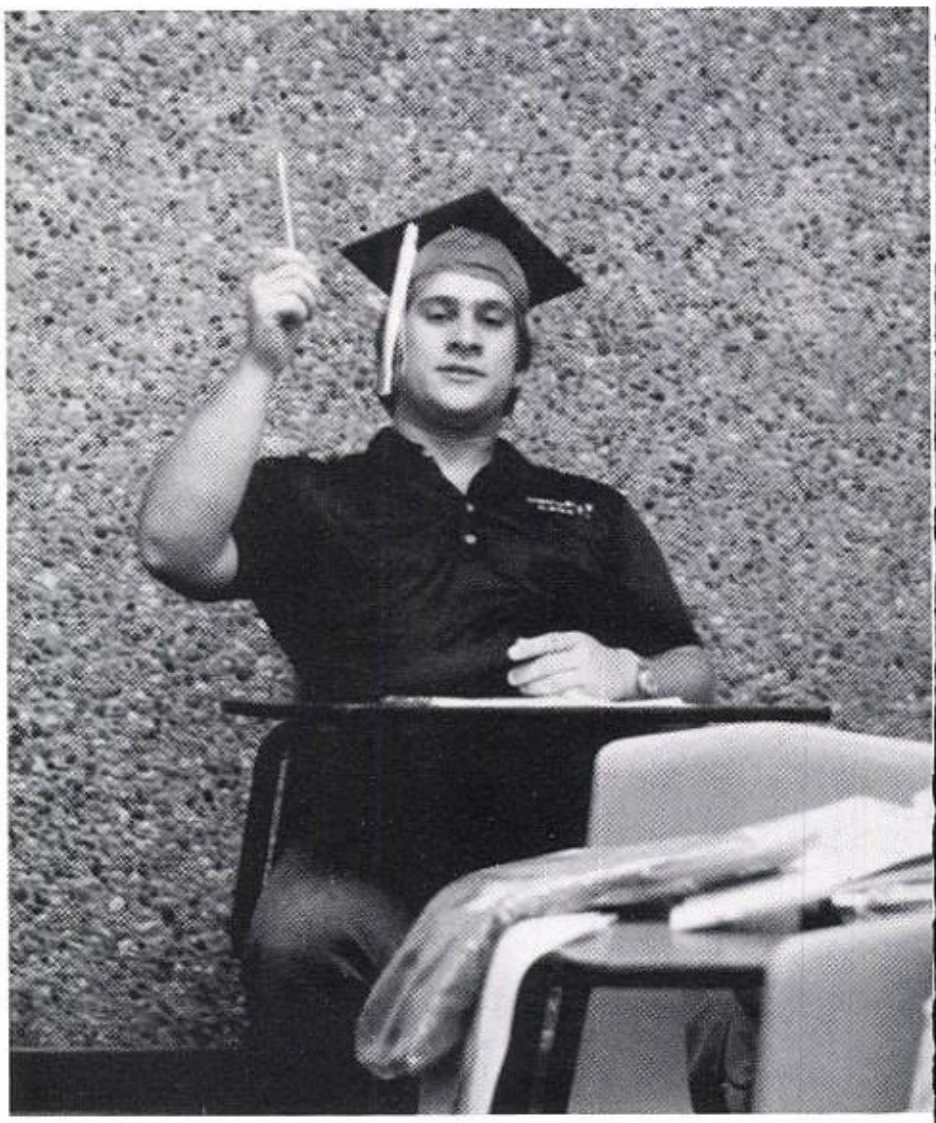
Although the year was at an end and Baccalaureate and Graduation loomed ahead, the Seniors of '79 made the most of their last chance to raise****together as they traveled to New Braunfels for the all-day Senior Trip on May 25th. They spent the day by inner-tubing down the river and then by eating at the River Restaurant before beginning the trip home. The day was immensely enjoyed by both seniors and sponsors alike.

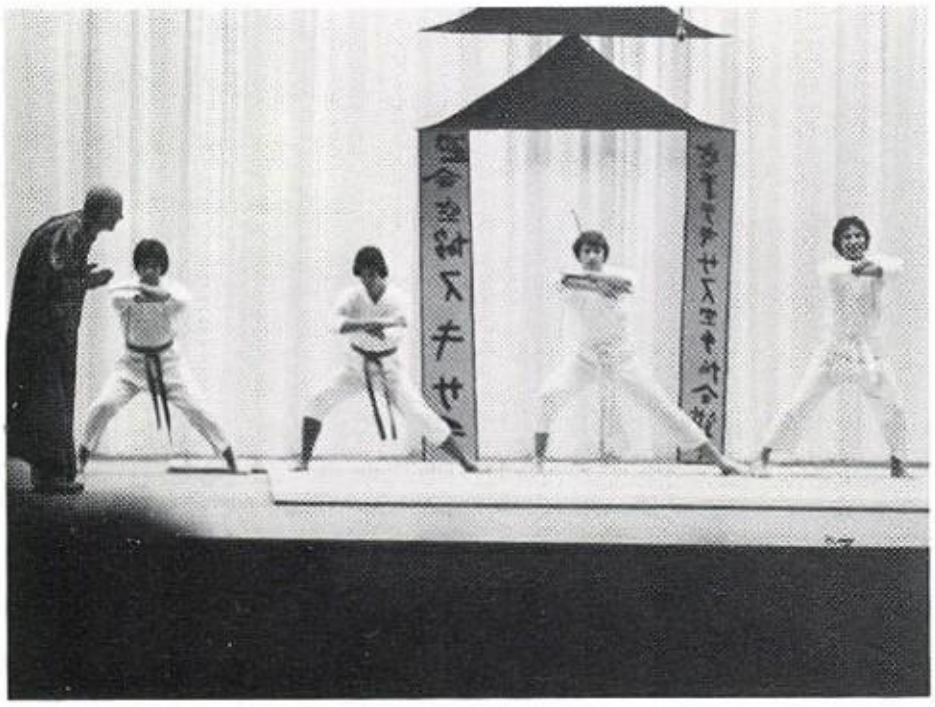


BACCALAUREATE–SR'S COUNT DOWN

The religious aspect of the Seniors' advance to Graduation took place on May 27th. The guest speaker was Father Vaugn Miller of St. Joseph's Catholic Church in Bellmead. Father Miller addressed the Seniors on the subject of adulthood and mature responsibility. The rest of the Baccalaureate program included a prayer by Shane Loftin, songs by Tim Page, Ricky Bush, Dianna Haines, Delta Polk, Debbie Sanchez, Lori Kreder, Pam Pardue, Cathy Bates, and Daleforde Langston. Ellena Yerger and Victor Damm read a selection of poems written by the members of the Senior class. Also, several tears were contributed by the most of the Class of '79 as they looked to Graduation with feelings of sadness and anticipation.

SENIOR YEAR ACTIVITIES





LEAD UP TO . . . GRADUATION!

The year of 78-79 has held alot of very special memories for the Seniors at Connally High School, both good and bad. Many of these memories will be much harder to leave behind than others. The memories of the friends they've spent together, the memories of a winning football team, the Senior play, and of course their venture into real estate with Rex Butler. But more important will linger the memory of Connally High School which will always have a special place in hearts of them all. They say that time changes everything, but it can never change what was . . . the times of their lives.

" . . . Does anyone have a comb? . . . Is my hat straight? . . . Oh, I hope I don't trip . . . What time is it? . . . "

These are just a few examples of the many thoughts running through the Senior's heads as the clock neared eight on the night of June 1st—Graduation Night. After overcoming the ordeal of walking down the aisle, the graduates sat back to listen to farewell speeches given by James Hays, Valedictorian; Angie Lopez, Salutatorian; and Chris Cantrell, Class president.

Following these speeches was the address made by guest speaker Bob Poage, which was in turn followed by the most significant moment of all—the presentation of diplomas. Again, the Seniors of '79 experienced a very emotional time; one filled with sighs of relief at having overcome twelve years of education, and the uncanny desire to be a freshman again. What this is all leading up to can easily be said in the infamous words of Chris Cantrell: We shall all, teachers and students alike, miss our 151 big brothers and sisters who have left such a wonderful and everlasting impression on Connally High School. Good Luck!!!!!!!!!!!!!!!!!!

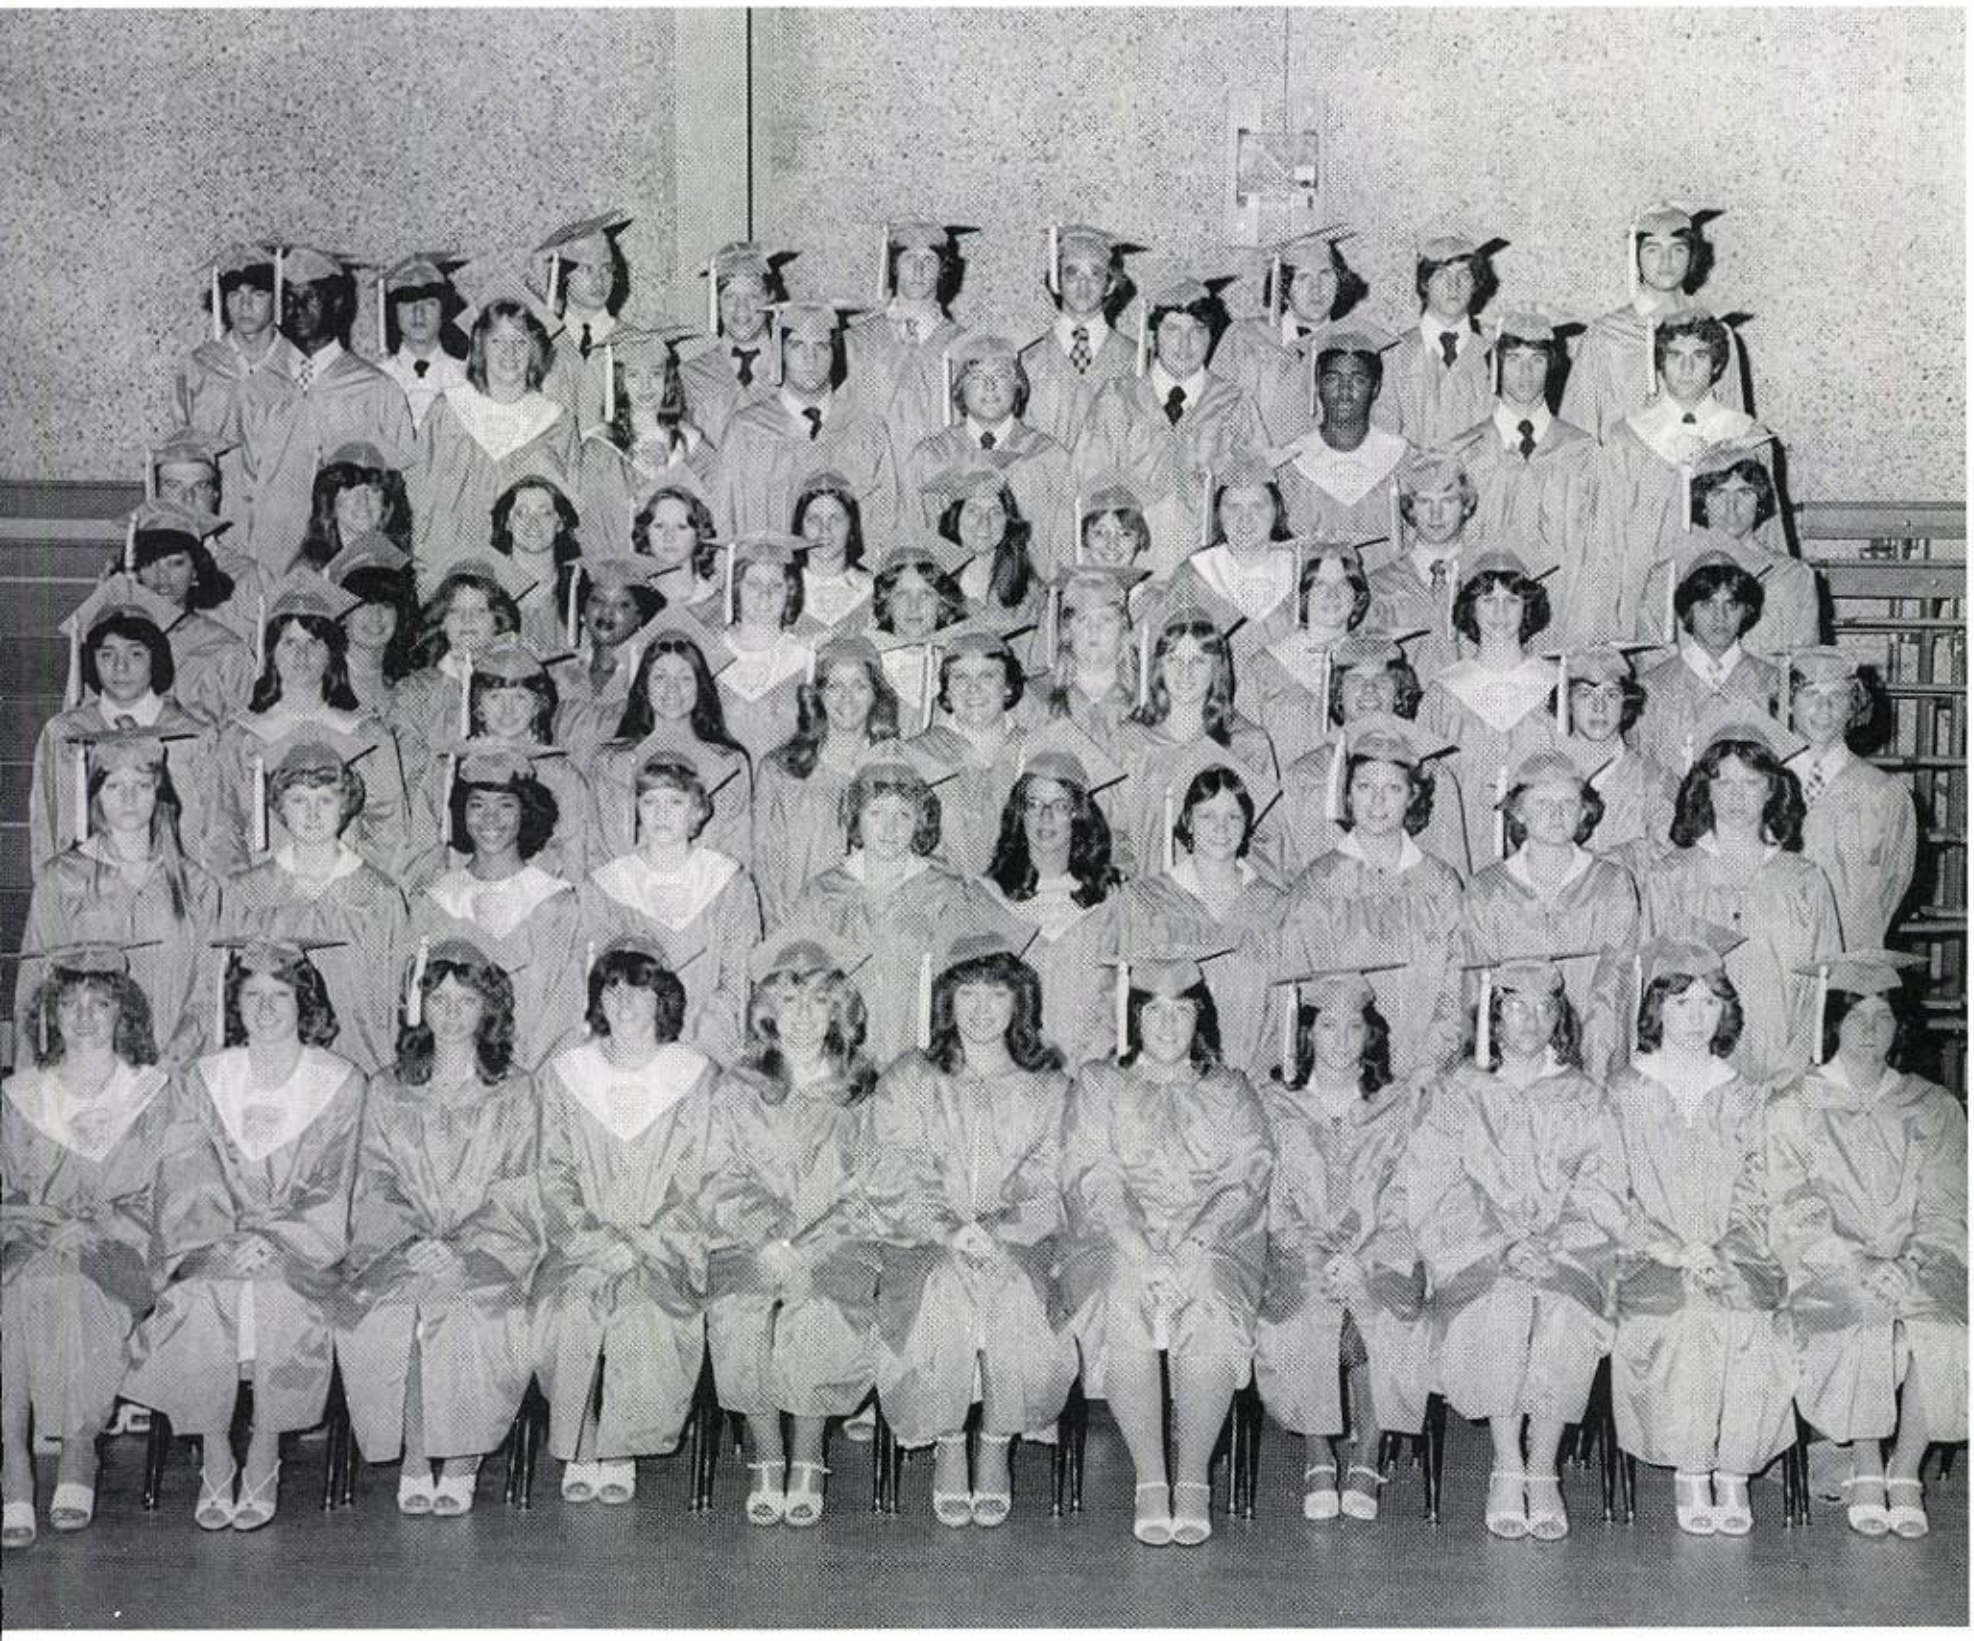
VALEDICTORIAN

JAMES HAYS

If success is measured by the tangibles of awards and achievements, then James is truly successful. Recipient of such as the American History, Algebra I, Biology II and Government Awards, the highest ranking Junior male, UIL competitor and member of the "Challenge" team, James developed his full potential through his diversity of interests and activities. James worked part-time his senior year, as did many students, but his achievement was made even more special by the time he spent working and then "hitting the books", resulting in a Senior year grade-point average of 97.6885. James' future plans include attending Baylor with a possible banking major. Connally has been enriched by James' presence and he will be missed.

SENIORS 1979



SALUTATORIAN

ANGIE LOPEZ

Connally was hit by a minature ray of sunshine in the fall of 1976 when Angie transferred here. Her multi-faceted talents appeared in music and scholastic activities–English II, Algebra II and Geometry Awards, president of the Creative Writing Club, Drum Major–these are the representative areas to which the creative Angie bent her prodigious energies. Angie managed to find time among these diversities for social events and was rewarded for her engaging personality by being named Junior Class Homecoming Princess and Junior Class Favorite. Angie's plans include attending MCC and majoring in computer programming. Without her smiling face, we will all be a little sadder.

"We haven't got great athletes on this team, the only way for us to win is for our kids to work harder and become stronger," Mills says with excitement. "That, coupled with learning the technique, is the only way to beat our inadequacies."

But there's something extra, too....

It is 7 p.m. and the Connally players have finished another gruelling practice. To complete their day, the players must lift 125-pound barbells rapid-fire as Mills clocks them with a stopwatch. Two different players face each other in the drill, making it something like a race.

On one side stands Paul Ward, the team's smallest player at 130 pounds. Across from him stands assistant coach Donnie Ostermann, a young assistant coach most of the players like to refer to as "a 50-year-old man." Both are tugging away at the weights, and Ostermann is obviously pumping away at a faster rate.

Mills' predominantly senior class squad recalls the start of that program, which emphasizes weight training and incorporates long practice hours of running and exercise.

"It was a lot different," recalls guard Derron Lauber, one of the team's leaders.

Later, end Billy Long and veteran wingback Jody Richards went out with injuries. Stanley Sims, one of the best backs in the district, has been hobbled all season with injuries, and Markie Necessary, last year's all-district quarterback, has played despite injuries. He missed the 33-19 win over Waco High last week that was deftly engineered by his junior understudy Todd Flentge.

The Hornets had the misfortune of playing Marlin and Connally in their first two district outings. Marlin broke a 14-14 tie in the fourth quarter and won by 10. Connally was stunned on a Necessary

year — the Cadets' best since the 9-1 finish of 1968. Ray Praesel, Anthony Walker, Ricky Bush and Co. ran for gobs of yardage every week.

When Connally and Marlin lined up for what was to become a classic Friday, no better example of what high school football is all about could be found than at Cadet Field.

More than 5,000 fans crowded into the tidy little stadium, and perhaps half of them came from Marlin, which is in a tither over their Bulldogs. The Connally fans rattled their cowbells and blew their airhorns, and the Marlin fans frantically waved their gold hankies as the teams staged a scoring donnybrook that saw the lead change hands seven times.

Connally Slays Lions 40-0

Precisioned Cadets Mar

By BRAD BUCHHOLZ
Tribune-Herald Sports Writer

As the Jefferson-Moore Lions found out Friday night, the autumn of 1978 can be officially documented as the season of revival for the Connally High School football team. Yet the Lions witnessed a different side of the Connally attack on a breezy, cool night at Cadet Field as Chuck Mills' 5-1 team overpowered Jeff- Moore, 40-0.

In the midst of their five game winning streak, Connally's dominant characteristic has been its ever-present flashiness, highlighted by an aggressive stunting defense and a speedy, big-play offense. But Connally held off on the safety blitzes Friday, and the long, graceful Ricky Bush sweeps were replaced by a slow, steady, consistent running attack which favored the inside.

In essence, the Cadets shunned flamboyance for the mechanical, eating

And to make matters worse, Connally went on to threaten a sixth time before halftime, stopping just short of another score as the second quarter ended..

Resuming wishbone practice after intermission, the Cadets were to score one final time – on 1-yard run by Praesel. But while the offense went through the motions, the Cadet defense turned in one of its best games to date, holding the Lions to 0 yards passing and 96 yards on the ground.

Jay Haliburton played an outstanding game at end, where he recovered two fumbles and led the Cadet pass rush

On the Connally side, Chuck Mills tugged on Ricky Bush's jersey, trying to restrain a player so anxious to get into the game that he was trying to run away before Mills could shout out his instructions. And there was also second-string fullback Joe Cantwell, running on two legs and one hand in order to maintain balance after being hit.

And when it was all over, there were fifty Connally high school football players hoisting Mills on their shoulders, jubilantly celebrating the end of a successful Connally season and the begining of a new era in Northcrest. And Mills made sure to rer that fact.

His first score was a 26-yard run on an option keeper, the his second on a 4-yard rollout. Score: Connally 14, Midway 6 after one quarter.

But then it was Midway's turn to strike back, striking back as they would do time and time again on this night. Taking a Connally punt at the Cadet 32, the Panthers ground out their second score, on a seven-yard run by Lee Hill. Connally countered minutes later, driving 75-yards and scoring their 20th point on a 20-yard keeper by Praesel.

It was a week of crucial games in the Central Texas Blooming Grove's Cedric Nelson (140).

And at quarterback, Gatesville's Todd Flentge, Mar lin's Lamar Simpson, Valley Mills' Johnny Wilson and McGregor's Alan Robertson followed the impressive lead set by the halfbacks. But this week's addition to the Centex backfield is Glen Rose's Glen Schuelke, who brought his team back from a 15-0 deficet against Grand View in a 39-15 win. Throwing three touchdown passes and a two-point conversion, Schuelke completed 12 passes for 154 yards — without an interception.

Temple defensive backs Ernest Davis and Derek Kelly are the Centex defensive players of the week, intercepting two passes each to shut down a powerful Killeen team, 31-0. T

Marlin accomplished its goal of slowing down the sleek Connally wishbone which had averaged some 300 yards per game, but Cadet quarterback Ray Praesel almost passed the Bulldogs into submission before their final shot died an agonizing death at the Marlin 10.

The Bulldogs, keyed by the superb receiving of Kenneth Jones and the scrambling of quarterback Lamar Simpson, had wiped out a 21-17 Connally lead with their clutch drive in the closing minutes.

Jones had receptions of 18 and 31 yards in the drive, the second coming at the Connally four from where the district's leading rusher, Leon Tubbs, smashed over from the four to put Marlin on top for in another it.

good in this see-saw battle that saw the lead change hands seven times.

Jones' first reception in the drive came when Simpson's pass bounced out of the hands of Connally linebacker Ricky Bush into his own flanker's hands. Then Jones made a superb catch between two Cadet defenders at the four when Marlin faced third down and 13.

Connally's rugged defense, led by Shane Loftin, Will Midgett, Jay Haliburton and Jeff Horn, had played havoc all evening with Marlin's veer attack, forcing Simpson to take to the air in the second half in an effort to erase a 14-10 deficit.

Tubbs, a marked man all evening, scored on the first play after Jones' catch at the four and Craig Gistinger, who had kicked a 19-yard field goal on Marlin's first possession, added his third straight extra point to give the Bulldogs a 24-21

PRIDE: THE 1978 VARSITY CADETS

The 1978-79 Varsity football team fostered school pride and was supported by the dedicated fans in the entire community as they struggled through many hours of hard practice to emerge near district champions of the South Zone. Despite this loss, the overall accomplishment of the team was beneficial in that it increased school spirit and created a strong bond among everyone. Also this season was especially outstanding in that the record of 8-2 was the best that Connally has held in ten years. In addition, the two losses of the season were only lost by a total of three points. So on behalf of everyone at CHS, we would like to congratulate you and thank you for representing our school so very well.

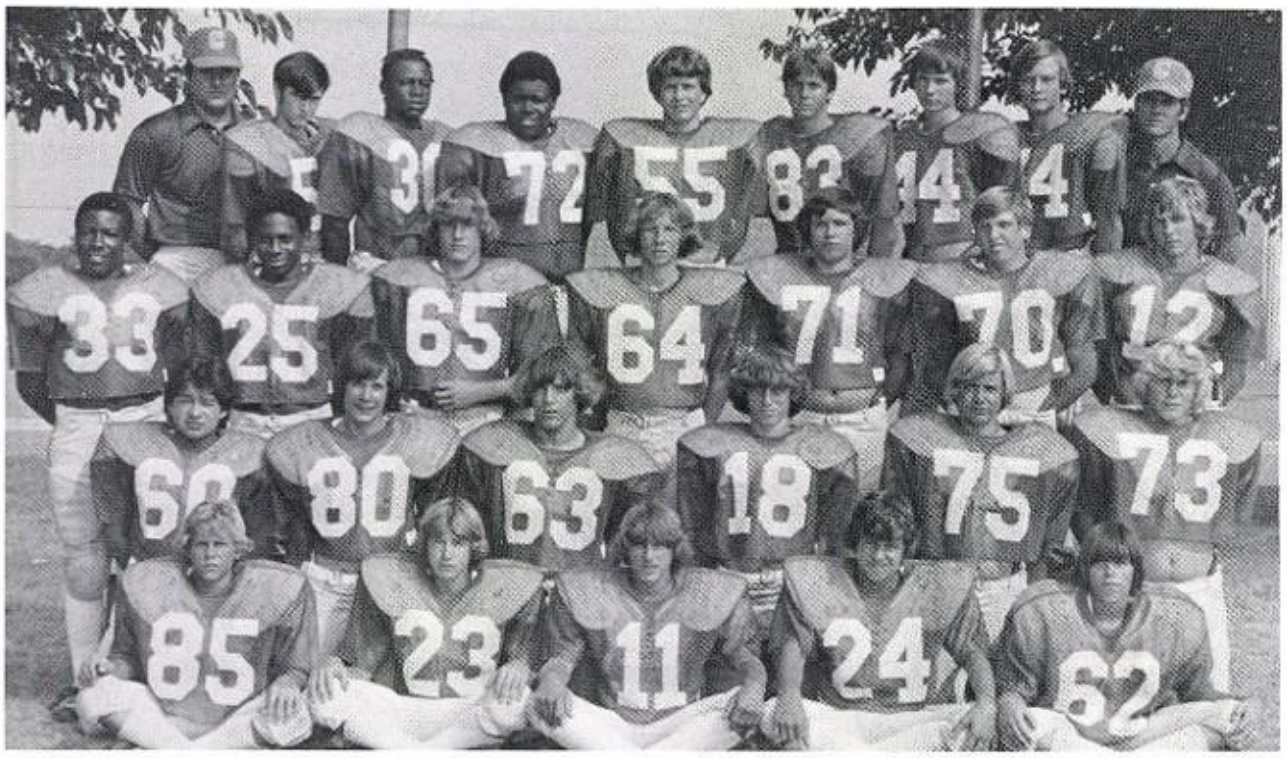
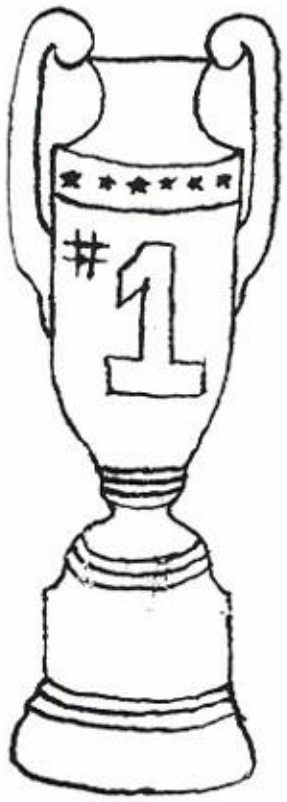
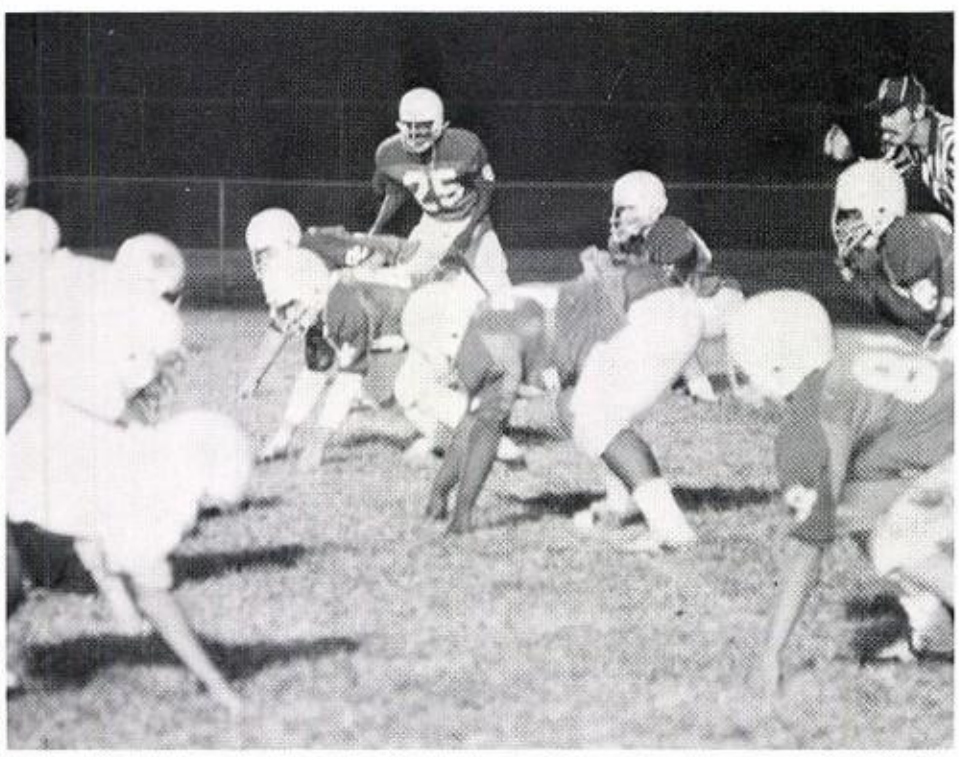
JV–11AAA SOUTH ZONE CHAMPS

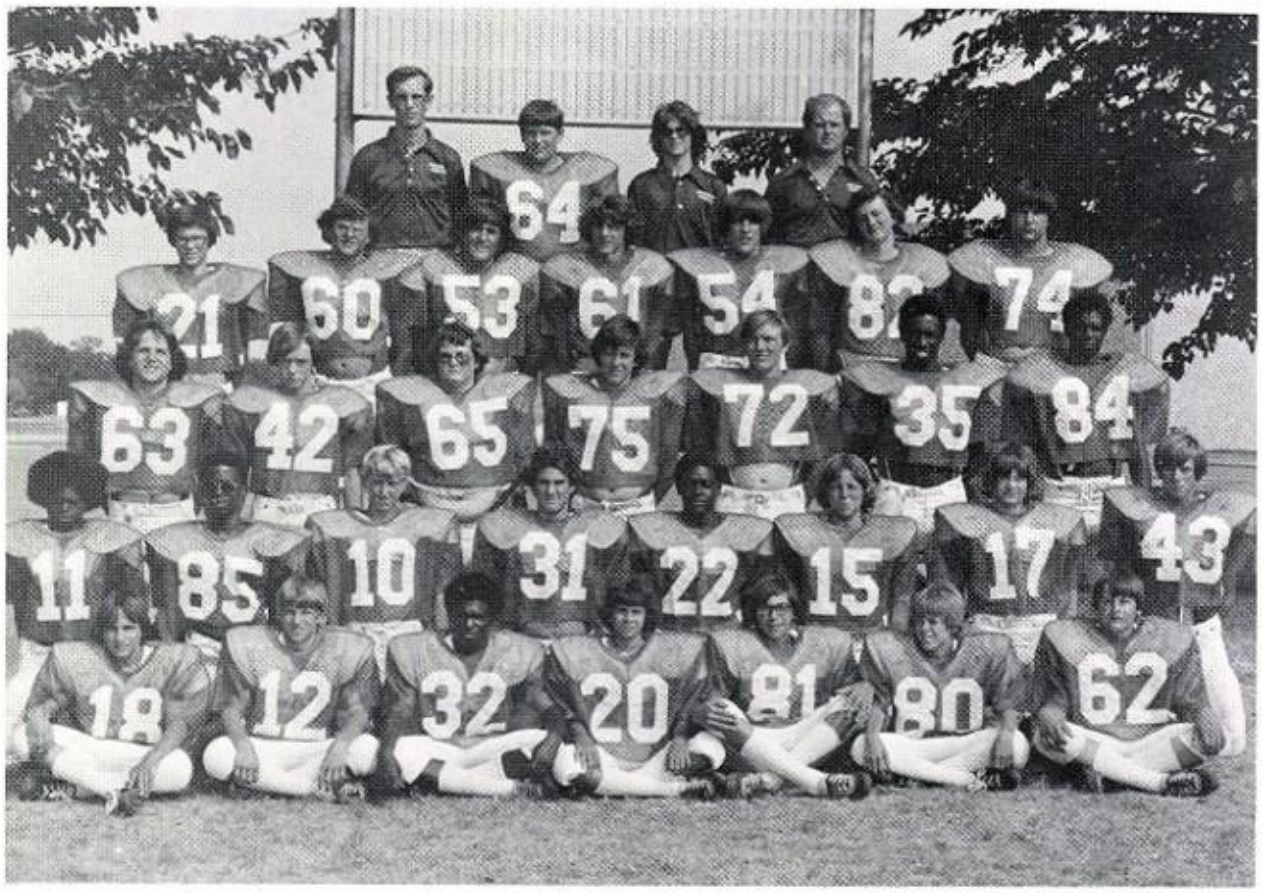


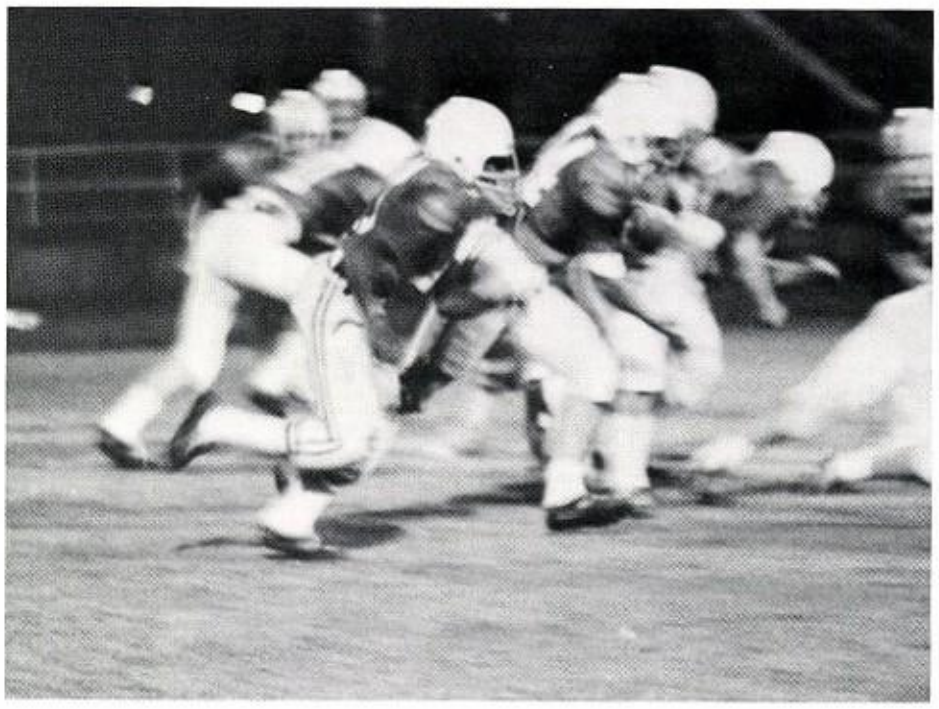


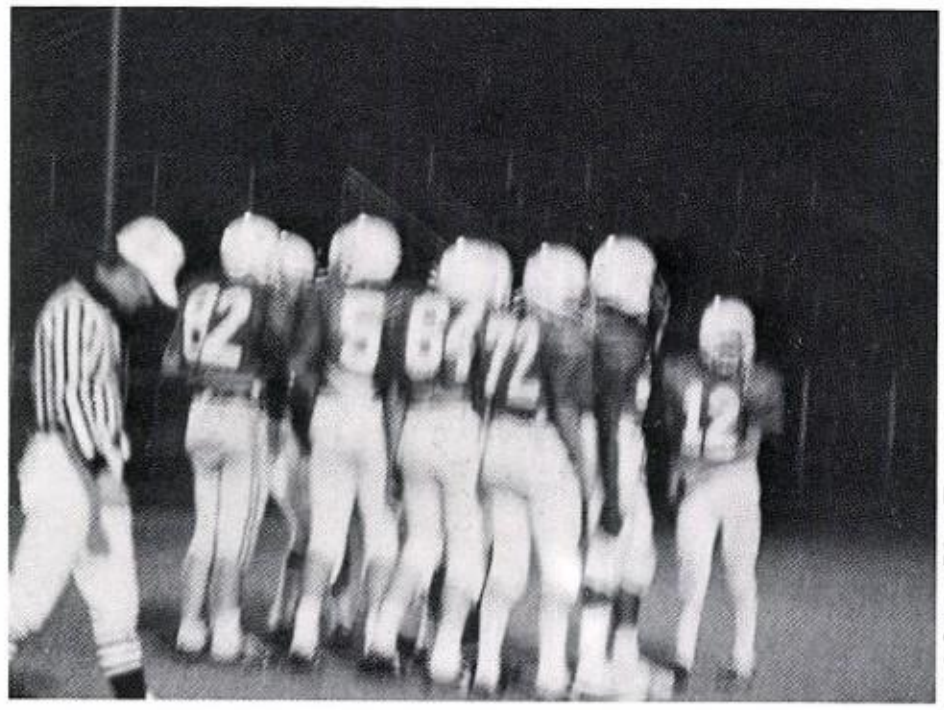


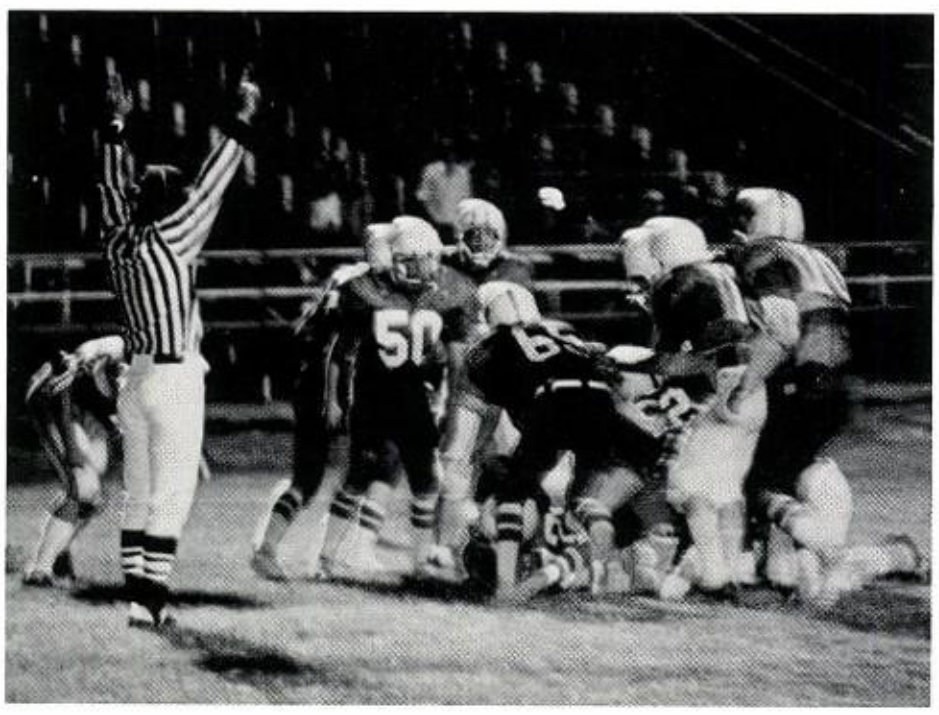
For the Junior Varsity football team of Connally High School, this season proved to be one of total dedication and undefeat as is shown through their record of 10 wins and no losses. Without a doubt, we are all very proud of these players, and are ready to cheer them on next year.

FIGHTING FISH FOOTBALL









The Freshman Cadets continued Connally's winning tradition for the 1978 season, closing out their schedule with a 7-3 record. Under the leadership of coaches Osterman and Anderson and permanent captains Barney Malcolm and Dwain Walker, the team laid the groundwork for future years of Cadet victories. As you can tell by their action shots, the team provided lots of hard-hitting action with plenty of touchdowns—like the one seen here against West. We congratulate the "fish" and wish them a continuation of their winning ways.

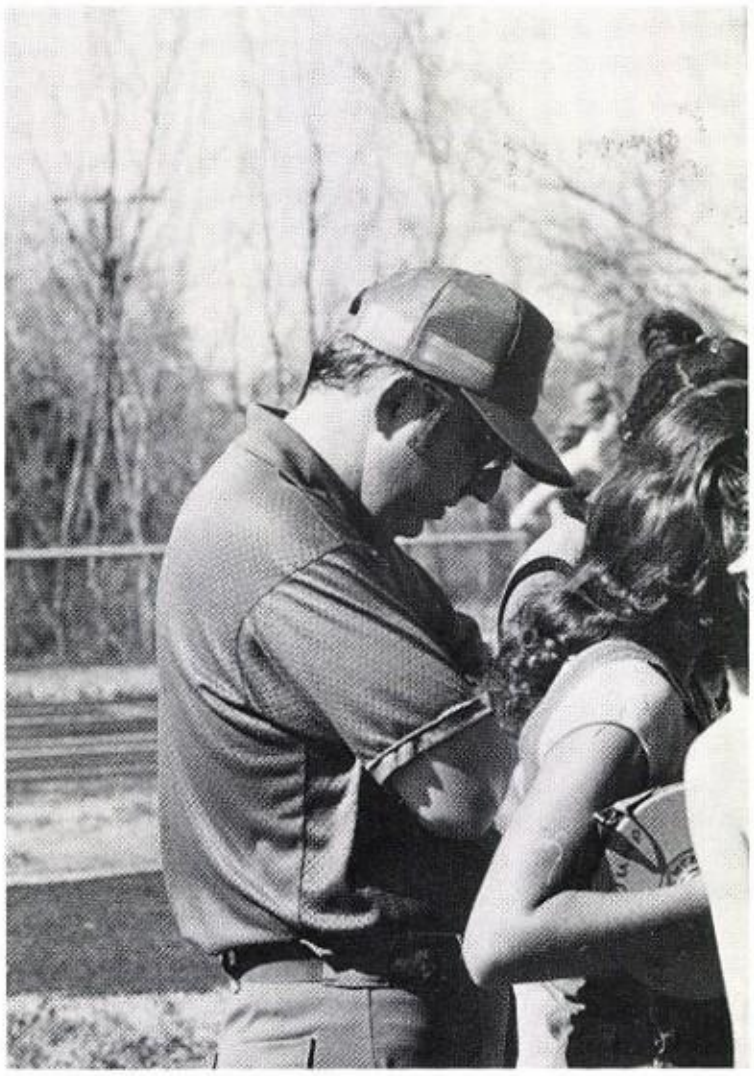
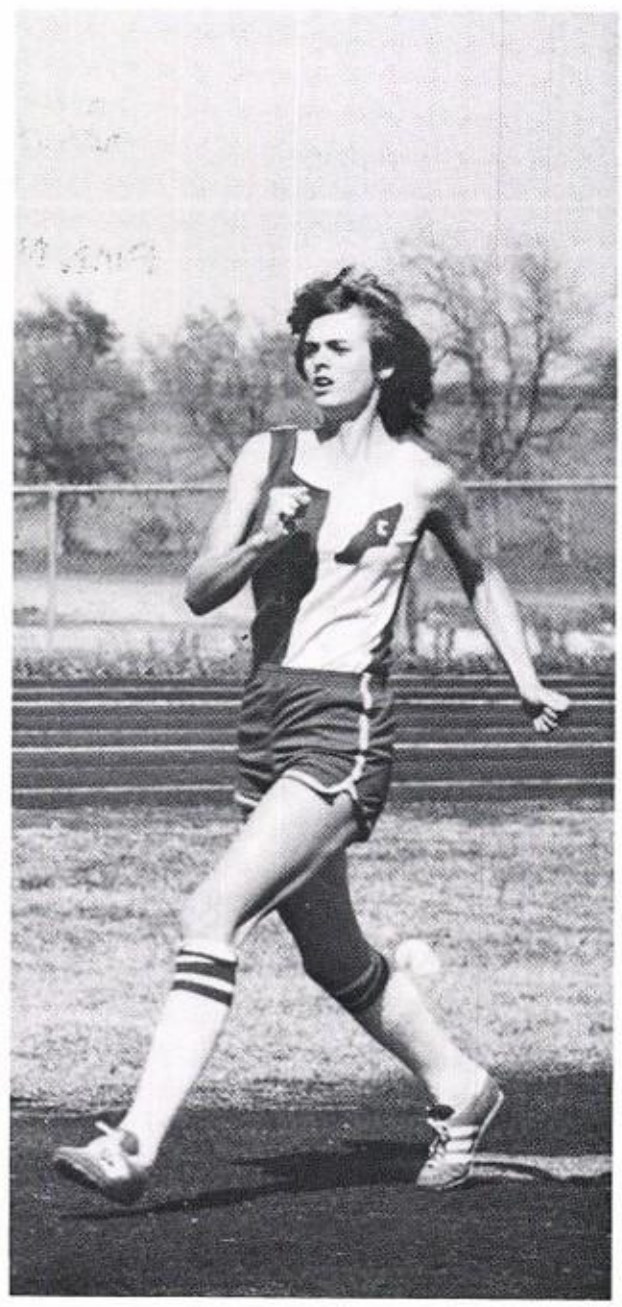
VARSITY GIRLS RUN TO VICTORY



The Varsity Track Girls have had an exceptionally good season this year as they advanced to District competition, where they placed in both field and track events. Chandai Phillips won first in 80-yd. hurdles at District and went on to place 5th at State. We congratulate these girls, especially the Seniors, on their hard work and dedication.

J. V. GIRLS SET THE PACE

The Girls on the J.V. Track Team laid a good foundation of experience for next year as they participated in District competition. We hope they continue to improve and wish them the best of luck for the 1979-80 season.



CADETS SLUG IT OUT

The Cadet baseball team ended its season with a 7-14 record. Not only did this year's team have to fight the errors, bad throws, batting slumps, and strawberries of a long season but also had to fight the weather. Rain cancelled the Connally Tournament plus several other non-district games. It was the rain that never let the team build up any consistent playing time. This year's team will long be remembered for its ability to work out in the gym and make it around the worst weather in years.

The 1979 Cadet baseball team will also be remembered for its senior leadership. This group of seniors has set the example for others to follow. Even though they didn't have a winning season, those who played on this team know that success sometimes can't be measured on won-lost records.

The 1979-80 players on the JV baseball team finished their season with a record of nine wins and five losses in non-district games. In district competition, the boys won five games and lost two. They came in second at the Midway Tournament and the outlook for next year appears to be optimistic.

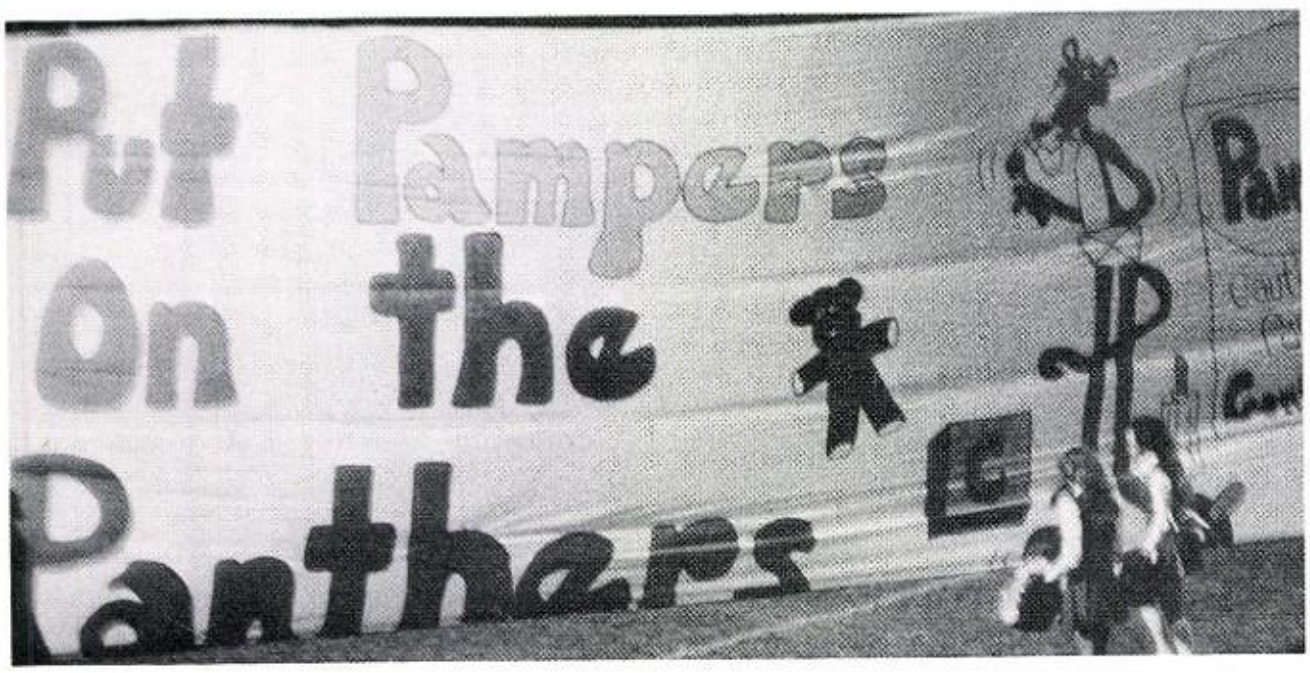
ORGANIZATIONS

SPIRIT STARTERS

Both the Varsity and J. V. Cheerleaders greatly inspire us in all of Connally's sports, especially football. This year, they have really outdone themselves by holding special Pep Rallies, painting signs, giving candy to the football guys, and mainly just by boosting our spirit. Our thanks go to all of them.

SPIRIT CLUB



Under the guidance of Mrs. Volcik and President Cindy Tacker, this year's Spirit Club has been a factor in increasing Connally's spirit. These girls have sacrificed a large amount of their time and effort by assisting the Cheerleaders at football games, by holding the signs and forming spirit lines. Also, they won the Spirit Stick at the Homecoming Pep Rally. For these reasons, we would like to express our appreciation to them.

A lot of hard work and self-discipline helped to make the CHS Band improve as much as it did this year. Under the direction of Mr. Bobby Brooks and Mrs. Anne Broadus, band directors, and Angie Lopez and Kim MacGibbon, drum majors, the band progressed to a 1st division at marching contest and made a I in sight reading and a II in concert at U. I. L. Concert contest. The band had the pleasure of being directed by two wonderful student teachers, Mr. Jeff Trayster and Mr. David Schmidt. Everyone contributed to the building of this fine band and there is much hope and determination for the future.

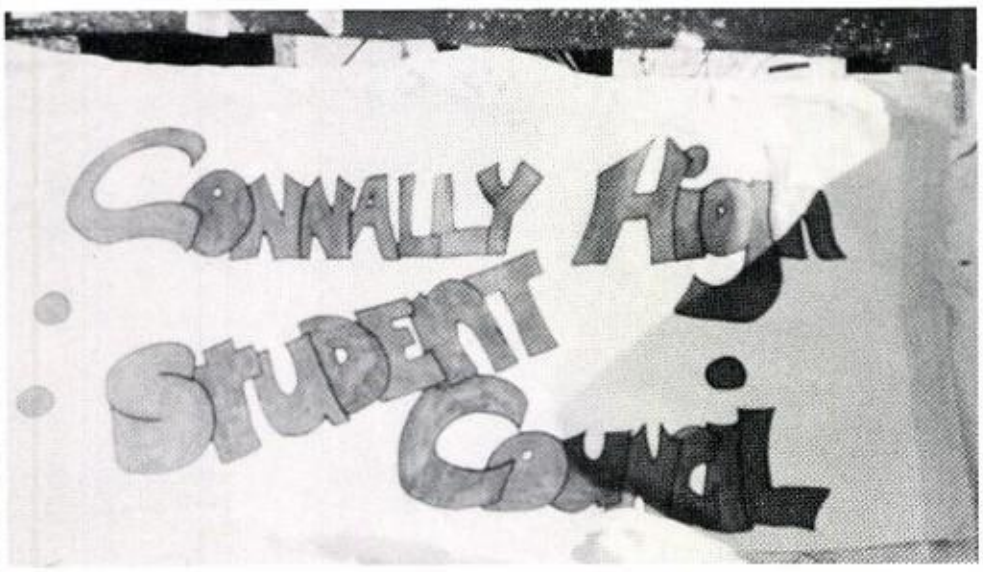
STUDENT COUNCIL



The students on this years' Student Council have been a great tribute to Connally and have improved our involvement in District and State activities. They represented us at the Rosebud-Lott convention, the spring convention at Rockdale where CHS won second Vice-President of District VI, the mid-winter Workshop at Highland Baptist Encampment and the State convention in San Antonio. At home, our Student Council has sponsored several projects such as volleyball games, dances, a Student Council bulletin board, and of course Homecoming activities. Their main goals this year have been to launch an all-out clean-up campaign for the campus, to maintain first place in District VI for our blood drives, and to dedicate the Cadet Man tile in the commons area to Albert Richter.

The exciting week of Homecoming activities at Connally came to a climax at the night of the big game. At half-time it was revealed that Darla Bolfing had been chosen by the student body as Homecoming Queen to represent the fighting Cadets as their victorious season came to an end.

CADETS BOAST REGIONAL

Connally High School has been blessed with outstanding students, as can easily be seen by looking at this year's district, regional, and state competitors. These people have sacrificed great amounts of their time and sweat to a cause which they felt deserved this effort—improving their personal skills to represent Connally High School and to be the best person they can be. Our congratulations go to them for their many accomplishments.
